NAME

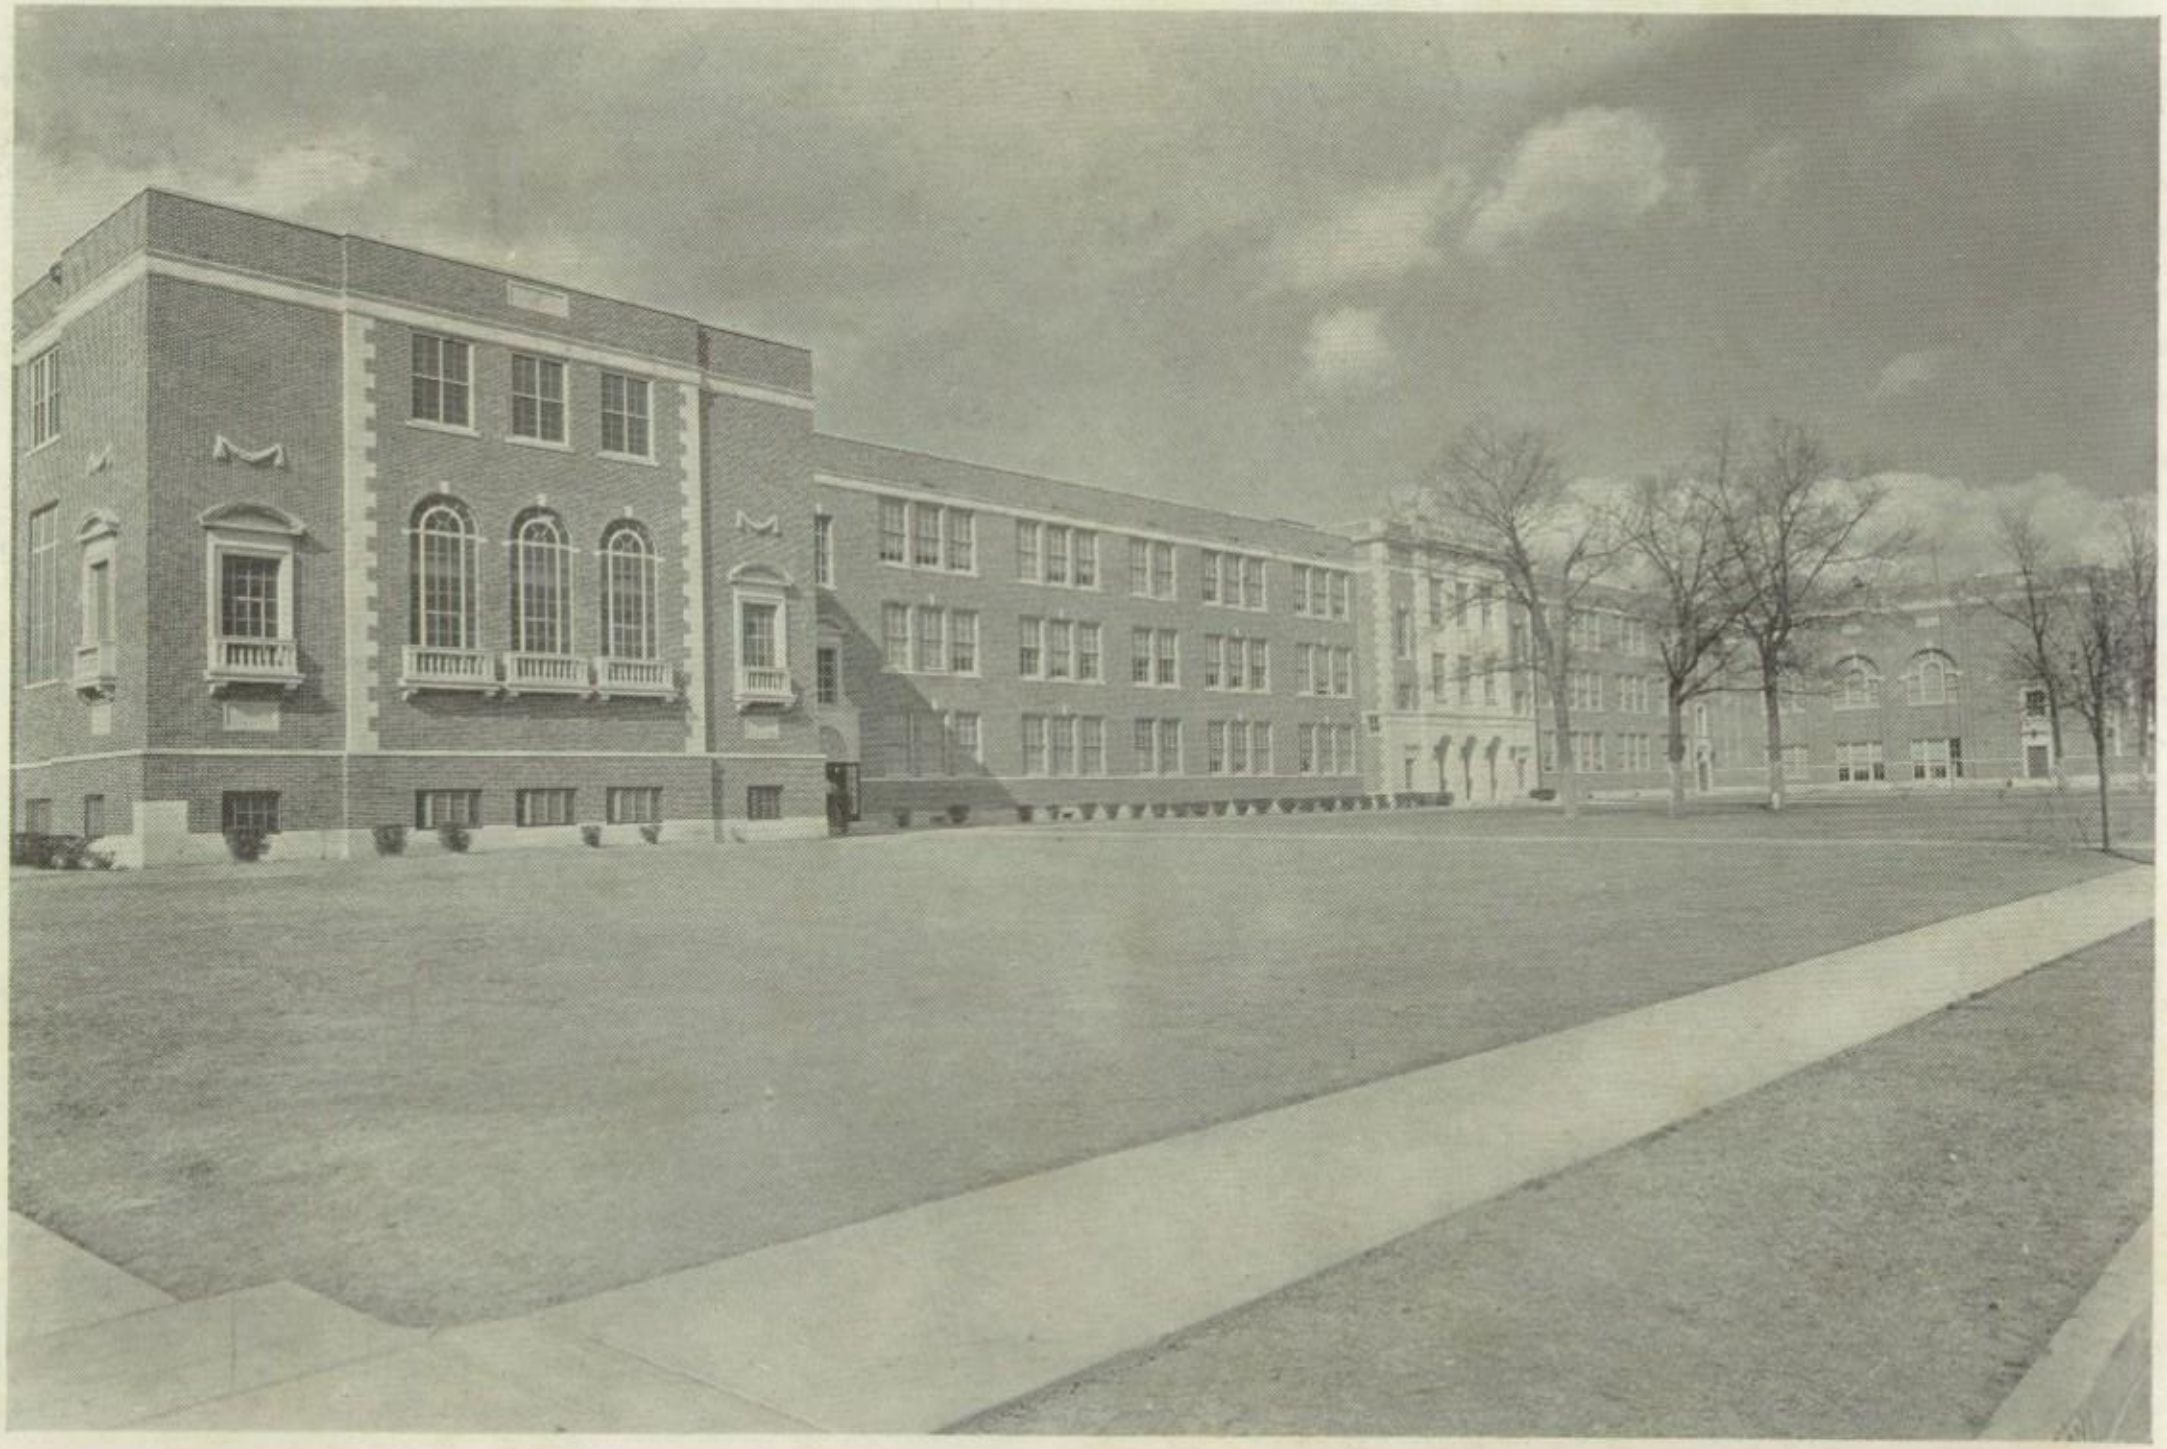
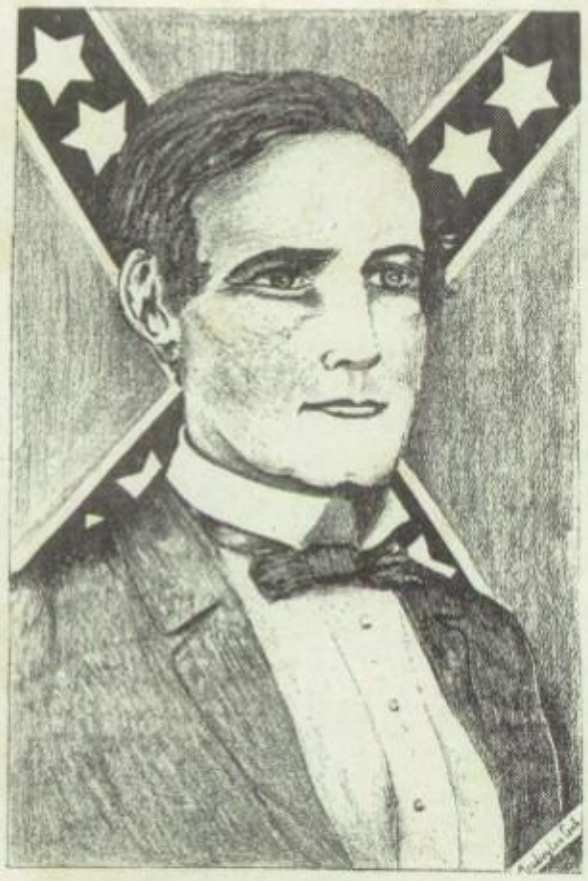
CAMILLE CAMPBELL





JEFFERSON DAVIS was Secretary of War under President Pierce.

He served in the Black Hawk War, war with Mexico, and was wounded at Beuna Vista.

First to suggest buying Panama Canal Zone, buying Cuba, and closer relations with South China.

He is known by every person who knows little about America.

Davis was nominated for President by Massachusetts in 1860.

He stood strongly for the Union but stressed the constitutional right of a state to secede.

His home known as "BEAUVOIR" is pictured below. It is one of the most beautiful spots in the South. It is located in Biloxi, Mississippi. Now used as a home for Confederate veterans.

FOREWORD

Acknowledgement of indebtedness from the Beauvoir Staff is due the school faculty, the student body and our advertisers for their loyal and continued support.

For the third year the Beauvoir Staff has worked satisfactorily with the Parke Engraving Company and the Gulf Publishing Company and gratefully acknowledge their help and interest.

Prompt and efficient work of the Eidson Studio has made our association with them a pleasure.

The staff artists have taken advantage of the opportunity to exploit the beauty of our building by reproducing the many ornamental frescoes, openings, borders and other features, all of which have been freely used throughout the book, making this issue a representative Jefferson Davis book.

With the thought uppermost to present a book of pleasant memories of High School days, we submit the result of our efforts to our subscribers.

ROY M. NEEDHAM

Coach Roy Needham, an outstanding athlete in his own High School and College days, is one of the best and most likeable high school football coaches in Texas. He has furnished city championship teams for the past two years, and the third is in the making.

Roy Needham is the instructor of Physical Education and comes into personal contact with every boy in the school; he remembers each student by his first name and thus endears himself to the boys and adds to his own ever growing popularity.

Mr. Needham is a man who stands for clean and fair sportsmanship at all times. He believes that playing fair will, more than anything else, help a student in life work; it is this principle that he teaches to every boy in school. He is also a great help to advise them in their private affairs.

Roy Needham means much to the Jefferson Davis High School Faculty, to the student body and to the community.

JACK FRYE

Jack Frye!—No doubt everyone has heard this name many, many times. It gives a great thrill to Houston football fans, but more than a thrill to the students and faculty of Jefferson Davis.

He is a football player built on a foundation of character; and his greatness is only beginning. He has given his very best for the grand old game, and he will continue to give his very best.

Jack holds the distinction of being the most generally feared and, consequently, the most generally marked player in this section; but he has made good in spit of this apparent handicap. In fact, he seems to thrive on this sort of thing. He has made Jefferson Davis over from a fair city high school team to one of the best in the district.

Jack is a credit to Jefferson Davis High, an inspiration to his team mates, a nemesis to opposing players—the boy who placed the passing game in a high plane in Houston. His defensive work is consistent; his passing sensational; his kicking uncanny; his ball carrying a continual threat; and his spirit undying. Sportsmanship is a marked quality of Jack's greatness. We know of nothing that would please us and hundreds of fans more than to see Jack in a Rice Owl uniform next year.

Boys' Sport Section of the Annual is dedicated to Jack Frye.

NEW YEAR'S GAME

All-City.....32 Englewood..... 0

Although they were rated as the best around Chicago, the team from Englewood High proved to be no match for the powerful drives of the All-City team. In the first half the All-City boys scored almost at will with Frye and Hecker leading the attack with drives off tackle and around end. They were aided by some of the best blocking ever seen on Rice field. Gurner, Pope and "Jeff" Roberts led the interference and cut their men down in fine fashion.

Davis received a great honor when the first touchdown was scored by Sam Lefkowitz. Sam proved that he was one of the best ends in the city. Jack Frye again starred and showed the boys from up North what clever broken field running was like. "Bobo" McKnight of Central thrilled the crowd with a number of sensational snatches of passes. In the line Ted Springer proved that he deserved his place on the All-City team by doing some fine defensive work.

It was a fine football game for Houston fans, but the boys from Chicago deserve a lot of credit for playing as well as they did against such a football machine as they faced.

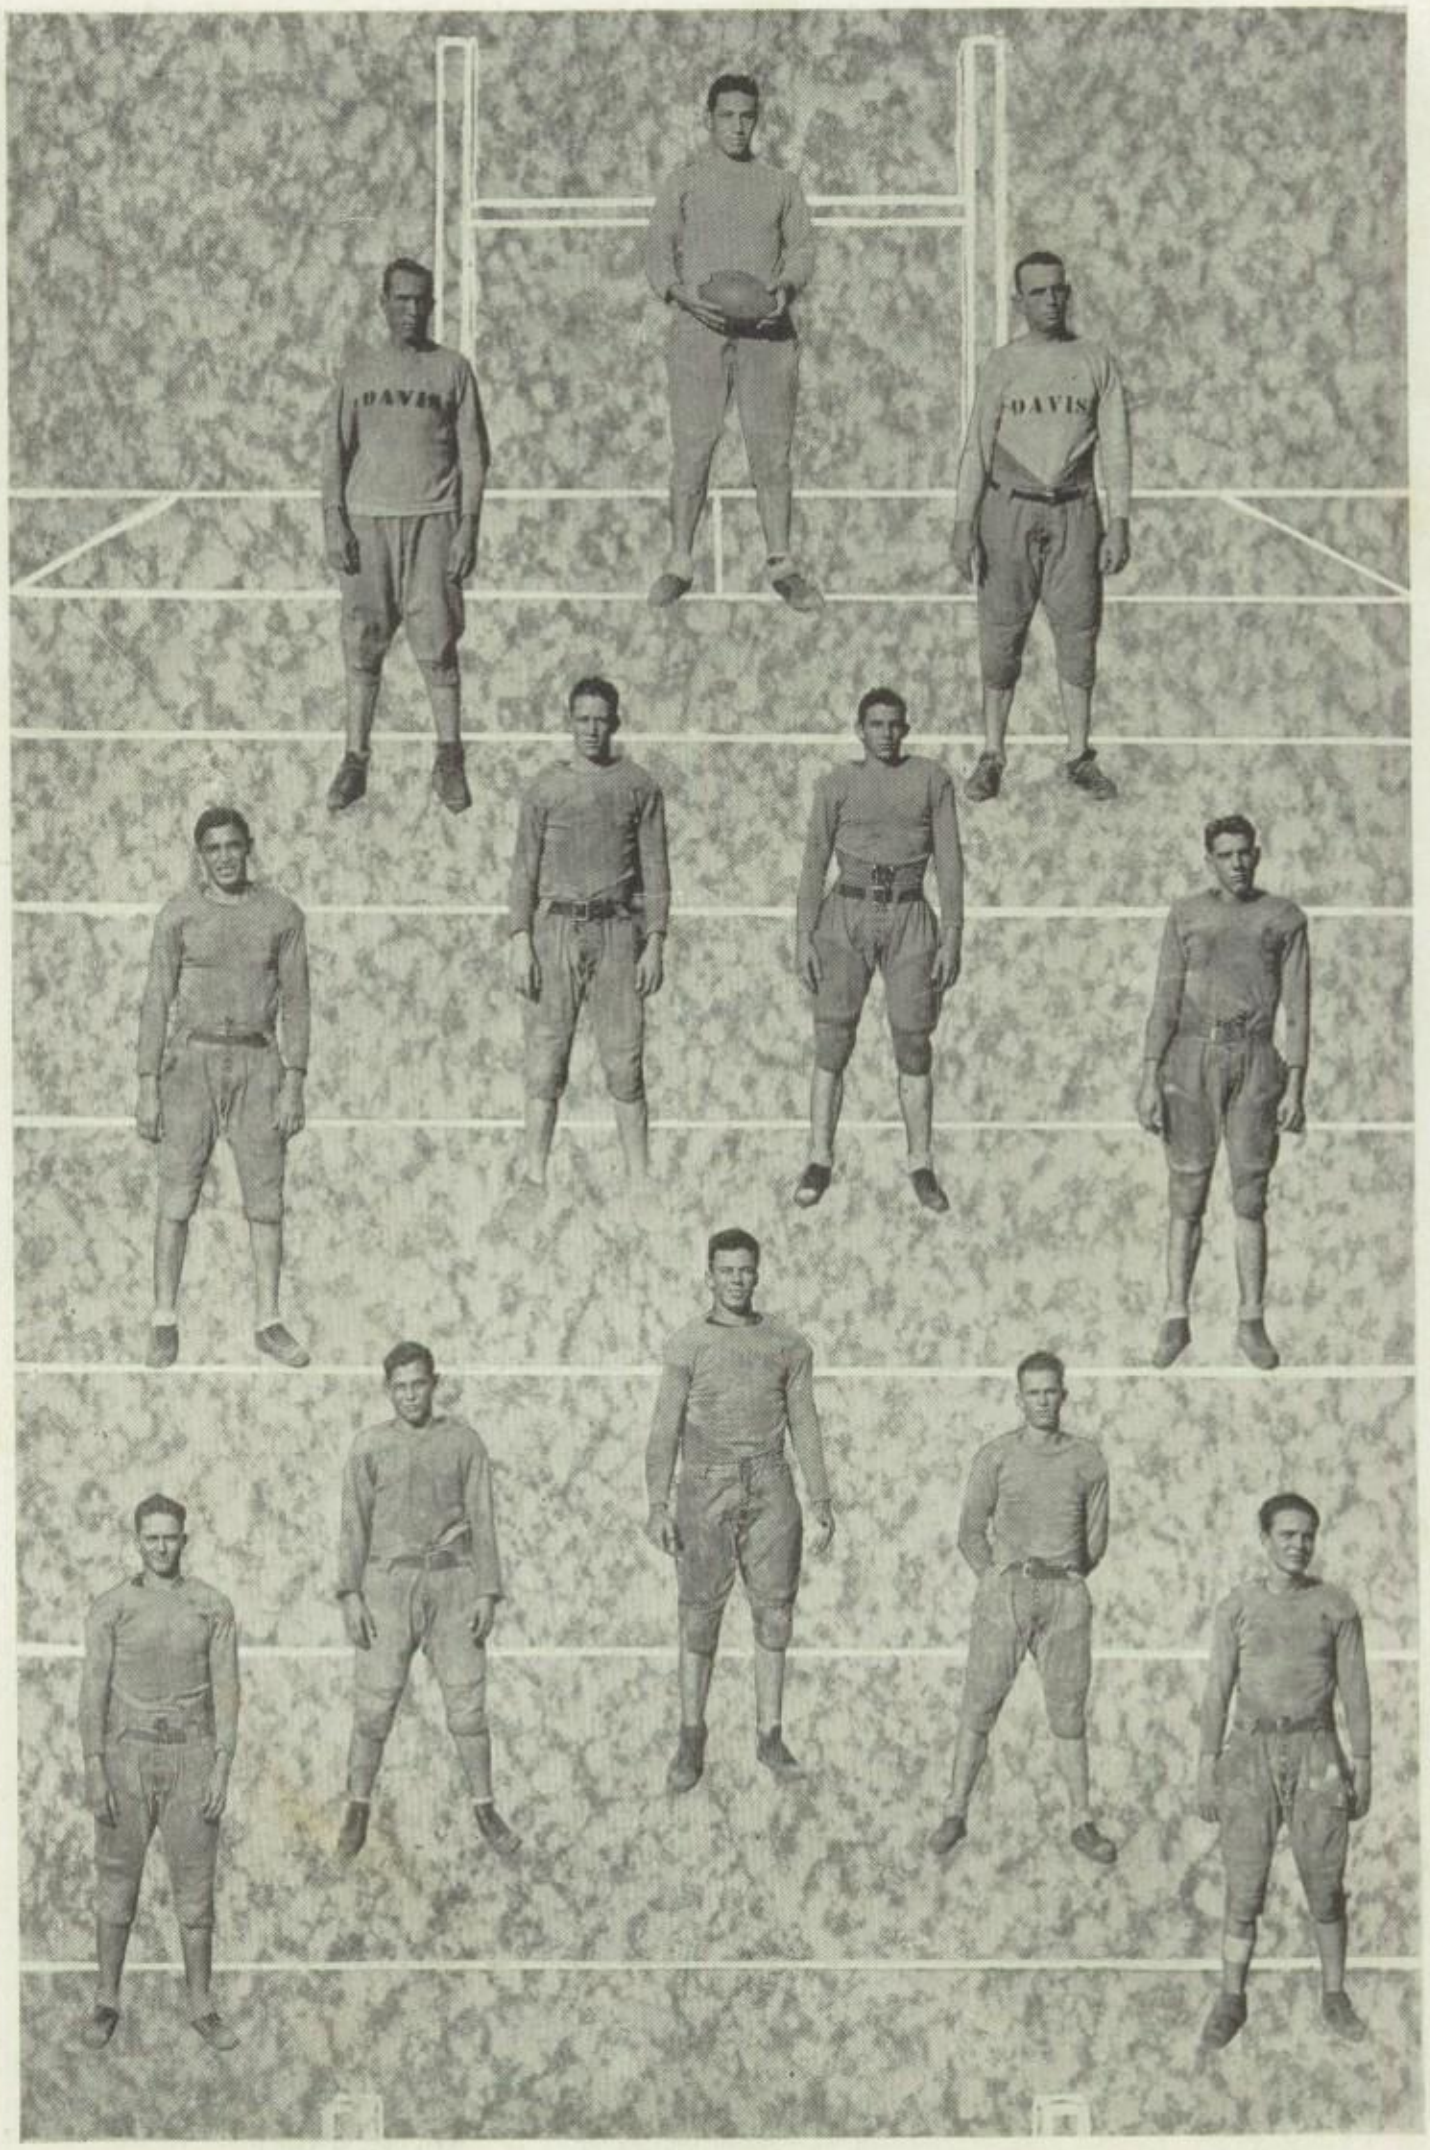
BEAUVOIR



Captain, JACK FRYE

There is not a better known or better liked athlete in the city. For four years he has played the major role in the Davis football teams. Throughout this time he has always been the same Jack Frye. In spite of the praises of sports writers all over the state he has never lost his modesty. By his graduation Davis will be deprived of one of the most versatile athletes she has ever known.

COACH NEEDHAM

On of the best coaches in the city. In four years he has made Davis athletically known and feared throughout this district.

Assistant Coach, (TURBY) TURBERVILLE

The spirit of that second team owes its rise to the work of "Turby." A new man to the squad he soon worked his way into the boys' hearts and did much to improve the team.

SAM (KAMADOUCHE) LEFKOWITZ

A fighter from start to finish. The going was never to rough for Sam but through it all he was the best sportsman on any field.

JIMMY FERRELL

Although he was light, Jimmy was one of the hardest hitting ball carriers on the team.

ORIN (STINK) HITT

"Stink" was a pass snatcher de luxe. The combination of Frye to Hitt was feared whenever Davis played.

ELLIOTT (NOSE) MURFF

Elliott hustled from the first gun to the last and always could be depended on to get his man.

OTIS (MAGGIE) MAGEE

In spite of his size Otis could give and take with the best of them. He could be downed but could never be put out.

JAKE GUARINO

Jake was one of the scrappiest guards of the city. Sam set the example and Jake followed in his footsteps to make an outstanding player for Davis.

CARL REINDL

By hard work Carl made the team this year and earned his letter. It was his first year out but he displayed enough class to play end for Davis.

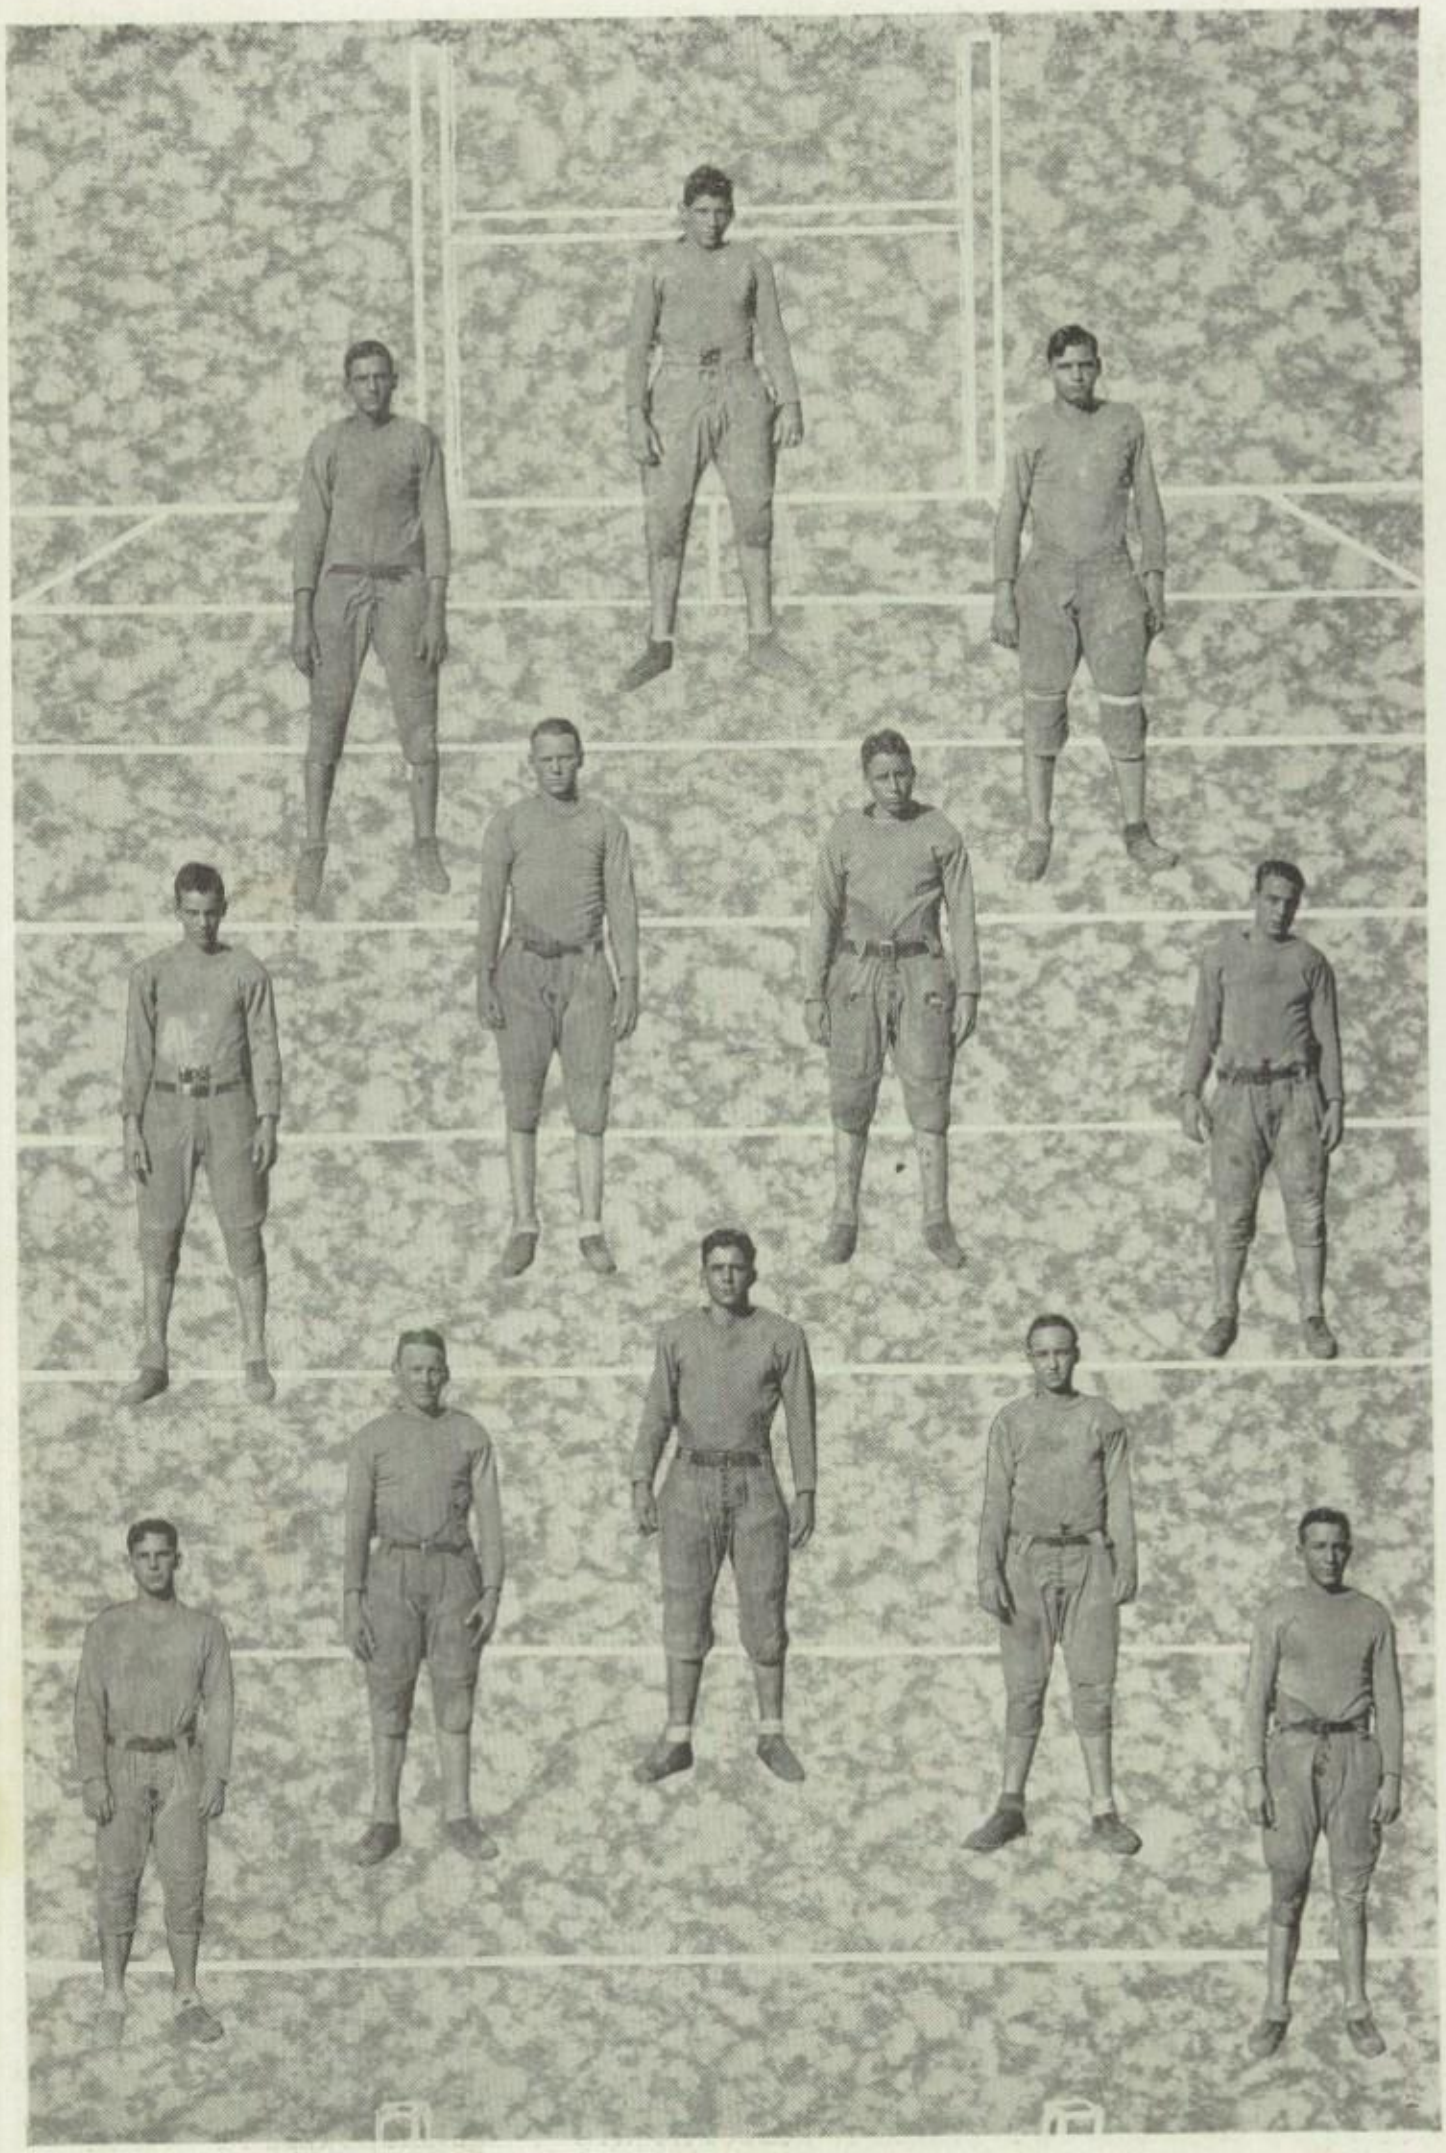
LEA (NUBS) UNDERWOOD

Fast and sure, Lea could always get the tackle when going down under punts. He was a regular for the Panthers although it was his first year out.

NOBLE ARMSTRONG

During the summer months Noble worked on a pipe line gang to get in shape for football. When he returned to school he was in fine shape and filled a regular berth at guard.

BEAUVOIR



Captain-Elect, RALPH WEBER

Ralph filled the position at center so well that the boys elected him Captain for the coming year. We are depending on Ralph to help make a powerful team next year.

VICTOR (KISSY) DWYER

Victor worked hard to make a regular tackle on the squad and at the end of the season was chosen by many sports writers for one of the all city berths.

ALAN WEED

This was Alan's first year out but he showed worlds of promise. With this year's experience behind him, he should make a strong bid for a regular's place next year.

CHARLES (PELICAN) BOWDEN

Being handicapped by size meant nothing to Pelican and he proved to be a very promising backfield performer.

ALFRED (LAZY PETE) DOWLING

In spite of his being rather lazy, Pete knows how to snag passes. Next year should find him on the first team as a star.

ALBERT CLAUNCH

A hustler always. Albert is a very promising center and will be making a bid for a regular position next year.

WILLIAM (BILL) CASEY

Bill was one of the best tackles on the team and could be depended upon to stop anything that he could reach.

IRVIN (FLUTER) MASSEY

Massey worked hard all season but was handicapped by injuries and could not do his best. Massey had worlds of drive and grit.

EDWARD (RED) MONTGOMERY

A scrapper from start to finish. Red was in there all the time doing his best to put Davis on top.

J. D. STERNS

J. D. was the best player from Denver Addition. He worked hard and was one of the best blockers on the squad.

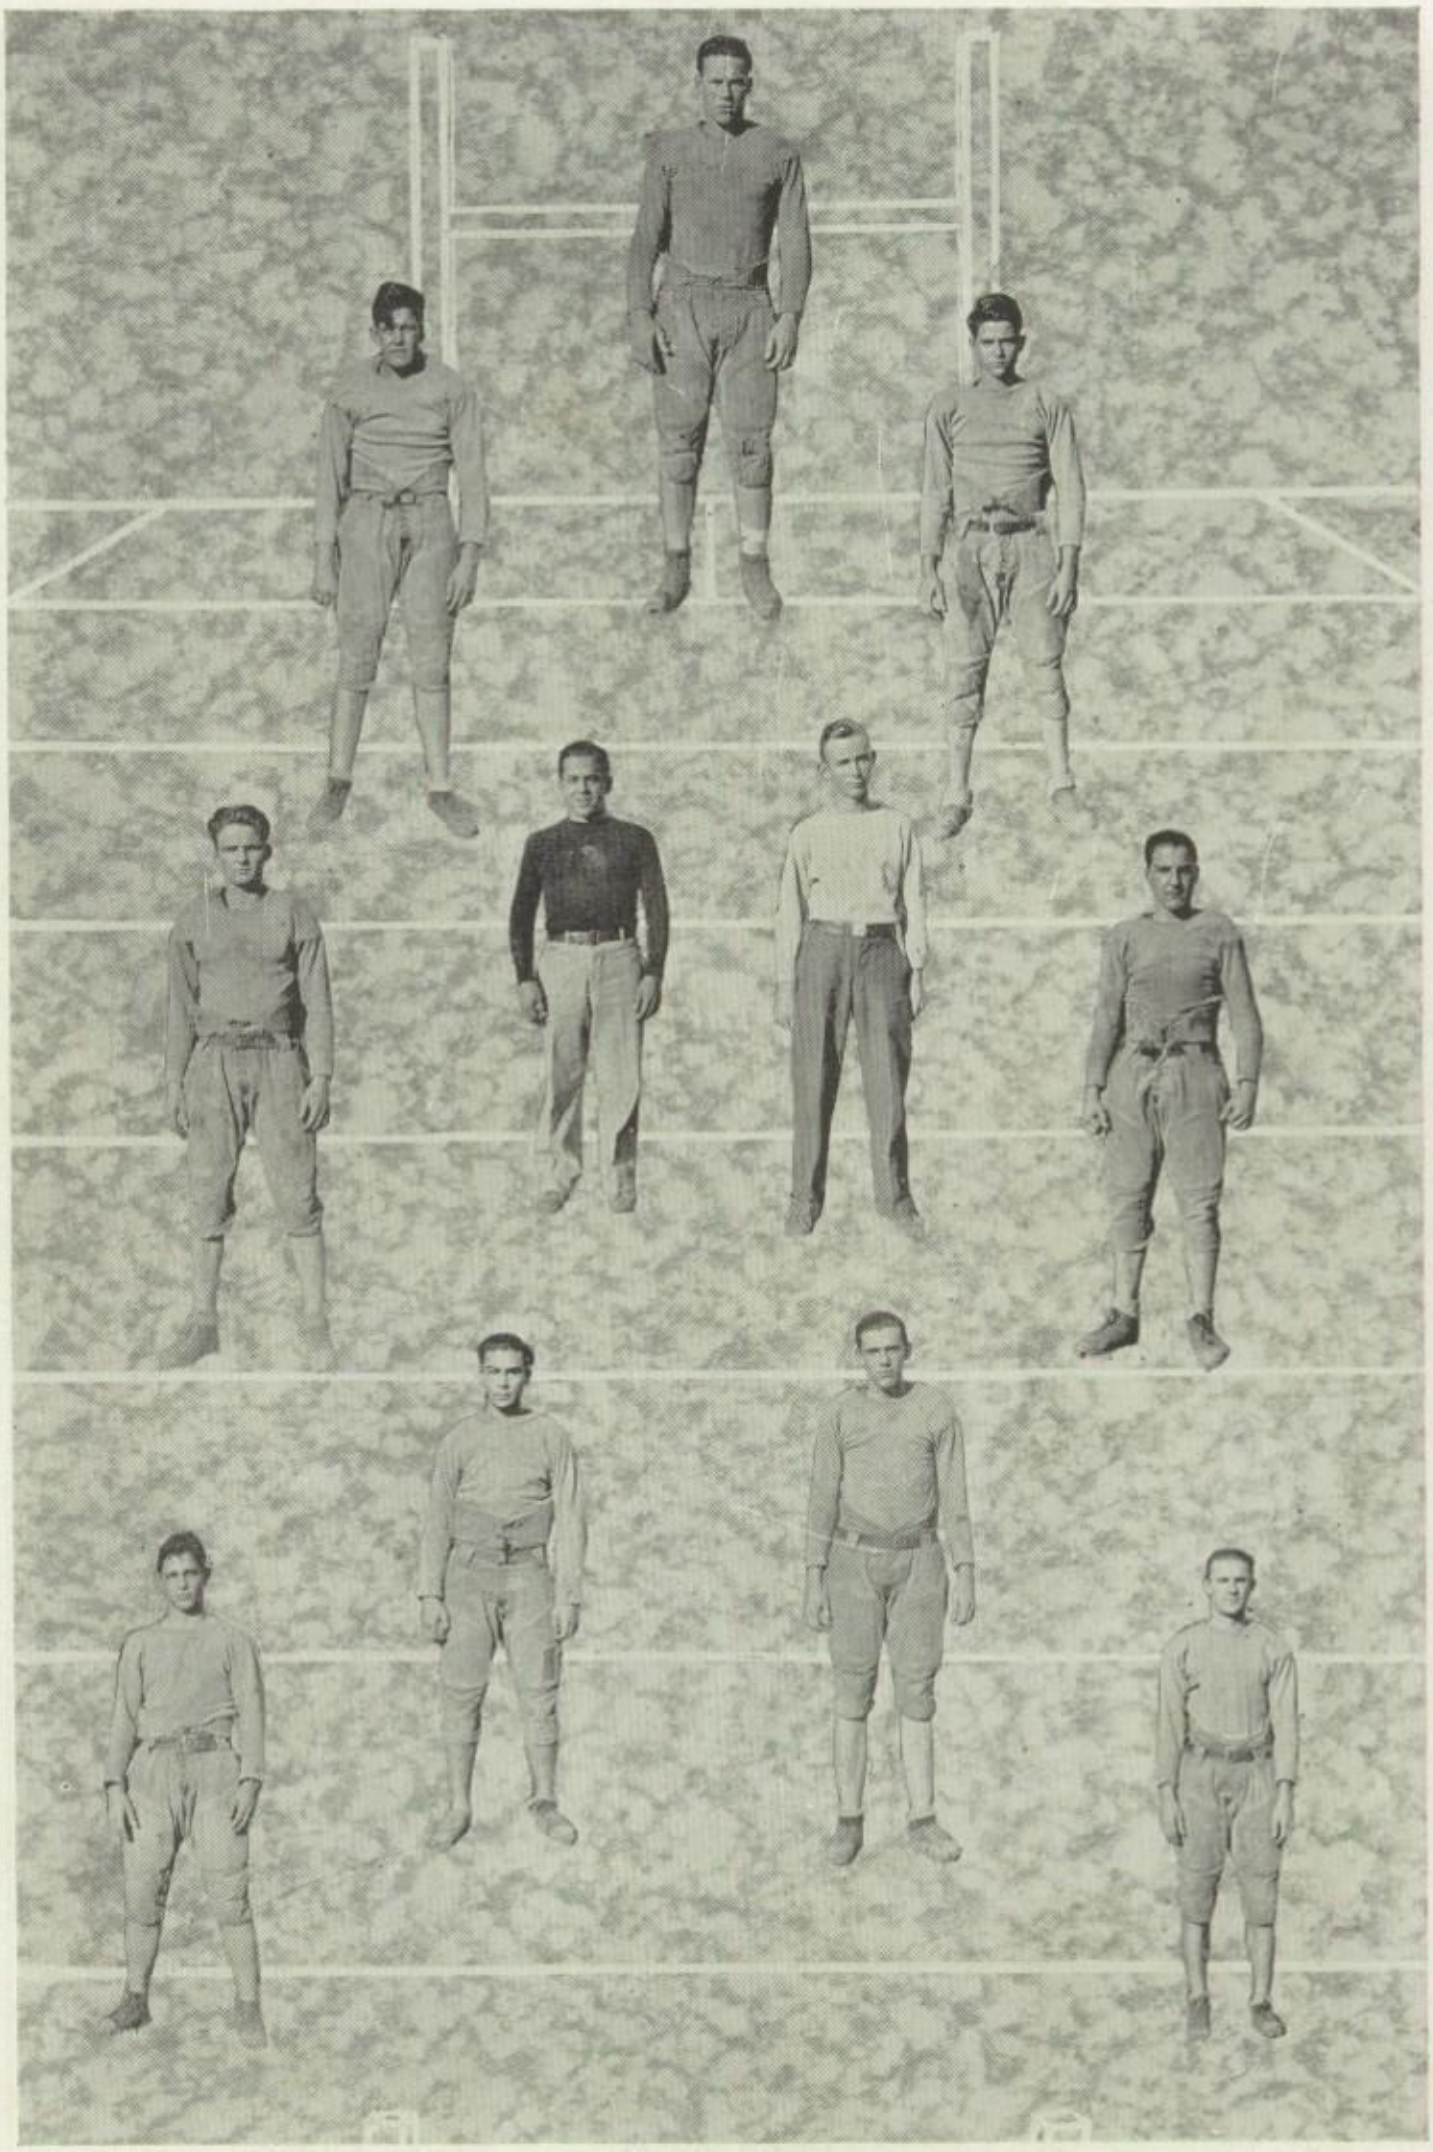
GEORGE (TUB) SMITH

With a little experience "Tub" will make a good man. Keep hustling "Tub."

LAMAR (SQUIRREL) CLARK

There was not a better liked boy on the squad. He came out four years and gave everything he had to make the team but he was handicapped by size and failed to earn a regular position. Lamar deserves a lot of credit for his spirit.

BEAUVOIR



TED (FAT-BOY) SPRINGER

Ted lettered at tackle again this year. The sports scribes of the city did not rate Ted as an all city tackle but Ted showed them they were wrong when he went out for the all city team and made it. He starred in the new year's day game against Englewood High of Chicago.

EDWARD (MRS.) MURPHY

Ed looked good at second string center and will be a capable man to have in the line next year.

PRESTON (QUACK) ROBERTS

In spite of his love for chasing Ducks, Preston made a very good halfback. Next year we hope to see him paddle through our opponents' lines for touchdowns.

CECIL (LINDALE KID) DELANEY

The Lindale Kid could be depended on to stop anything coming his way. He helped uphold the athletic record of Lindale that was set by Chas. D. Mehr.

EARNEST SABAYRAC

A very useful mascot to the Purple and Gray. He was always encouraging the team to become better.

WILLIAM (OX) HARRIS

One of the best mascots of the city. He is loved by everyone on the squad for his ability as mascot and good nature. We are very sorry to lose such good sport as one may find in "Ox" Harris.

LESLIE MARTIN

Leslie was a hustler from gun to gun and ever did his best to help create a winning team at Davis.

JAKE (SYNAGOGUE) GUARINO

The mightiest man in the Guarino family proved to be a blessing to Davis when he turned out to be a guard of the best rating. Jake will be back next year to earn his second letter.

RALPH BUTIGIG

A good built boy and a good sport at all times. Ralph should make a good tackle for the grand old game.

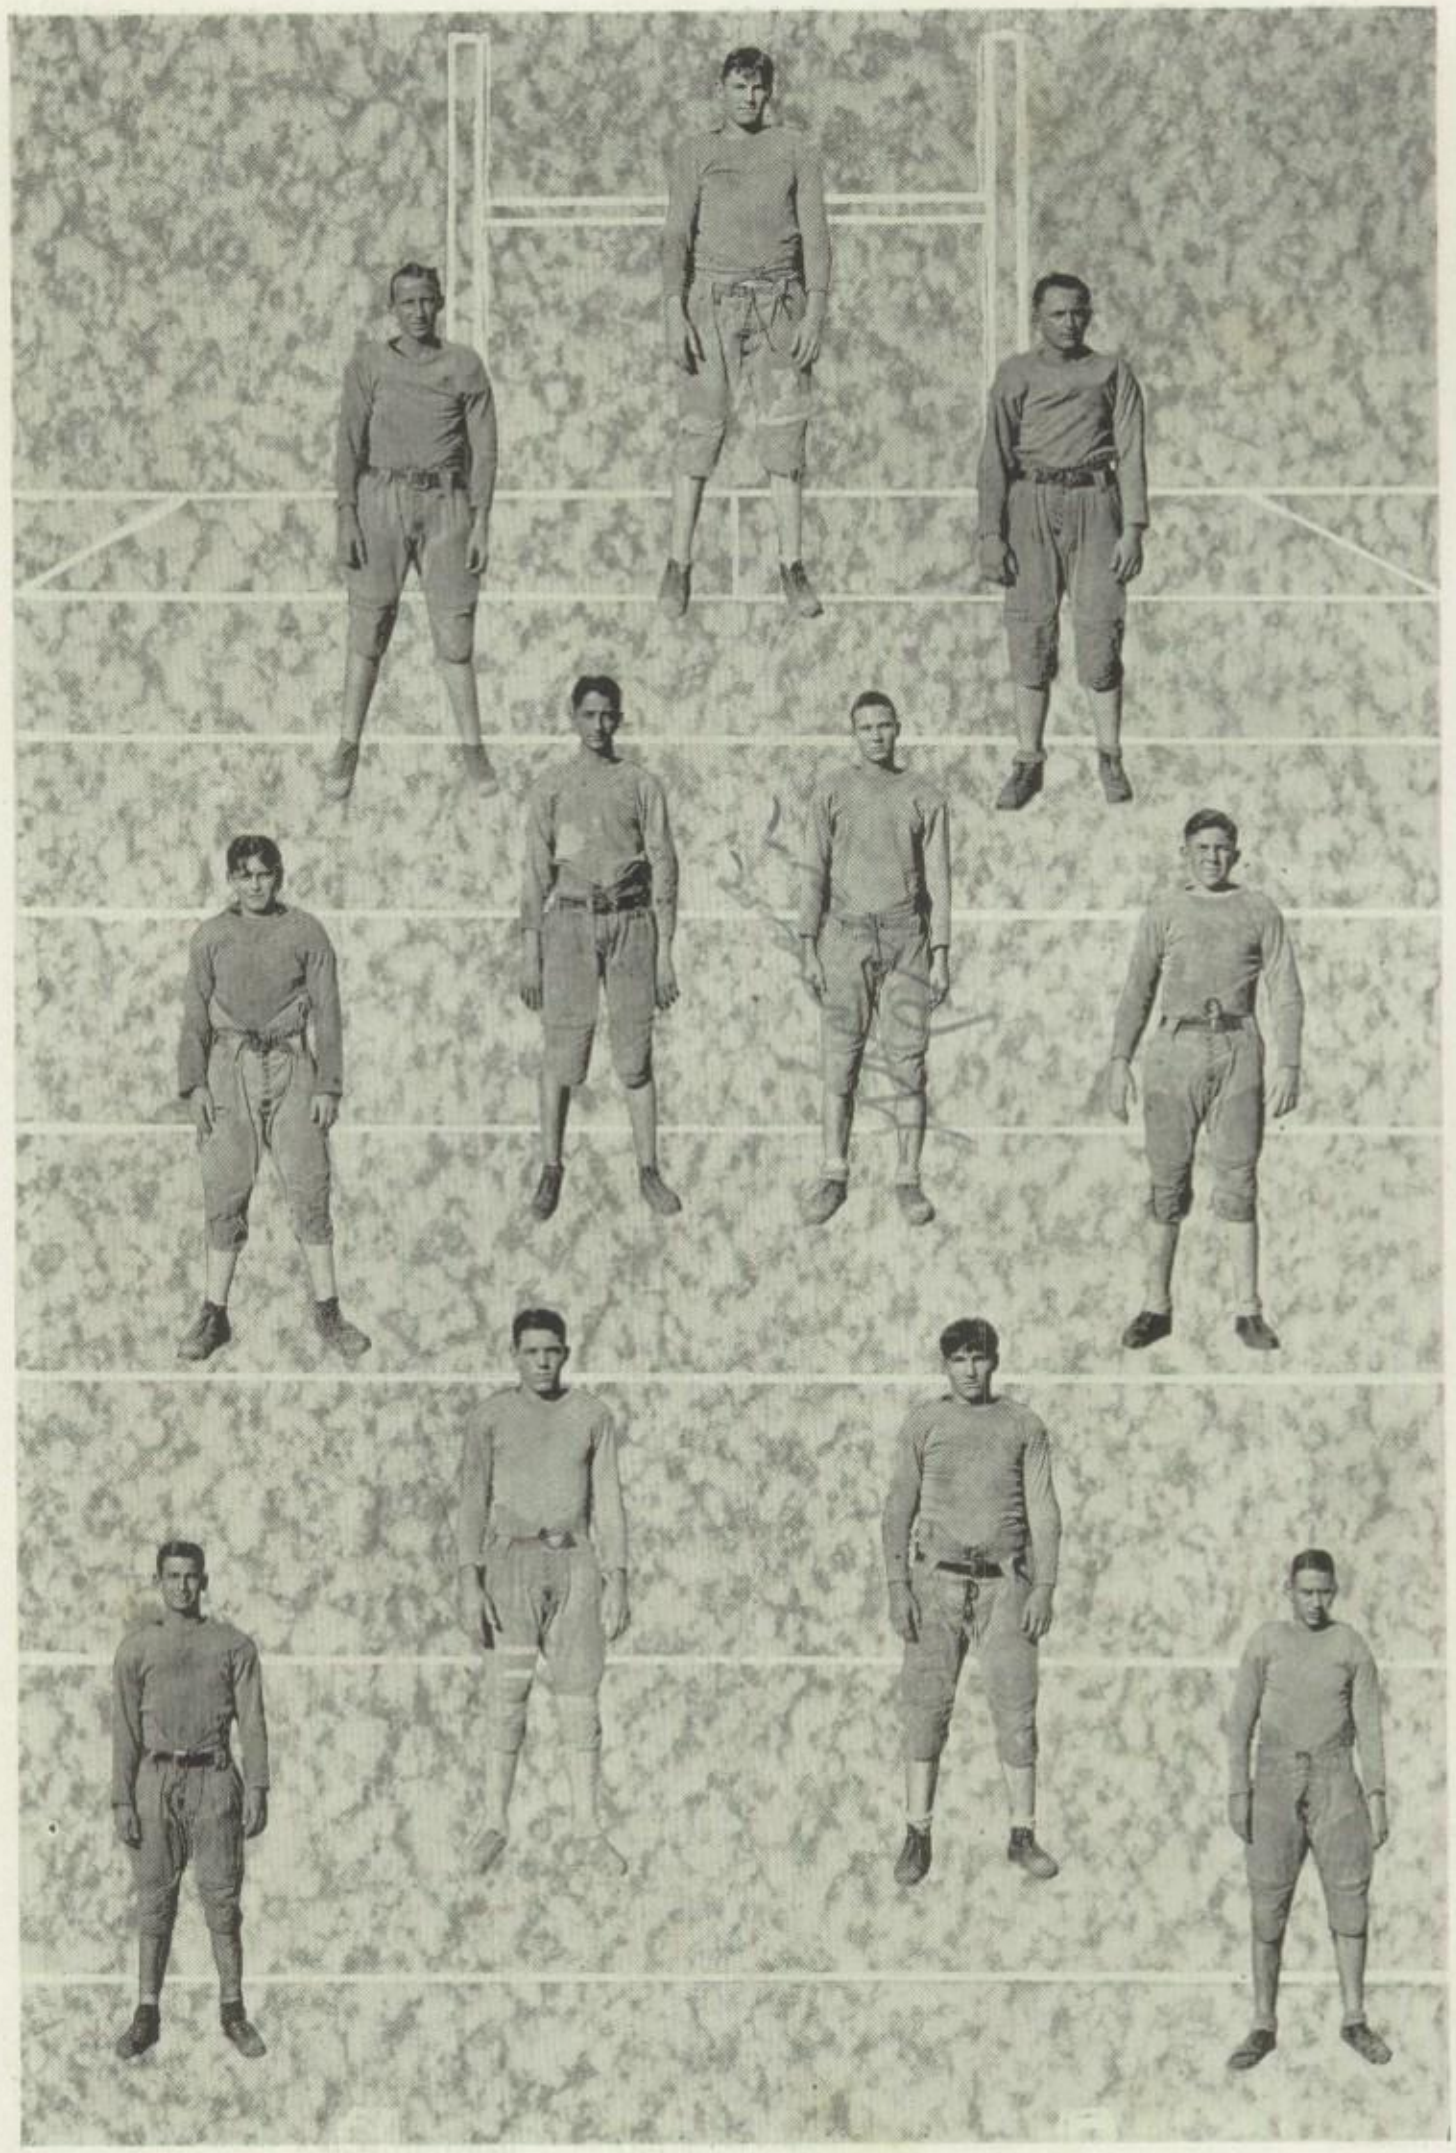
WILLIAM (BILL) TURNER

Bill was willing to try and made a good showing at tackle. Next year he should prove to be a very valuable man.

ROB'T (MULE) ROLAK

Mule was a first class end. His size and experience did not phase him and he did some good work for the Panthers.

BEAUVOIR



RUDOLPH SPURLI

Rudolph tried hard to make the team but lacked experience. This year's experience should aid him considerably.

FRANKLIN DAVIDSON

Franklin looked good at guard and before another football year is over he will be giving the regular guards a hard battle for their positions.

JIMMY GRAYSON

Jimmy hails from Brooksmith and can certainly block and tackle well when he gets the inspiration.

ROGER McCULLOUGH

In spite of his size, Roger attended every practice and worked hard all season.

THOMAS (BLACK EAGLE)

Tommy was there every day giving his best help building a strong first team. Tommy's hard work placed him high among the outstanding athletes of Norhill.

GARRISON (FARMER) BROWN

Garrison was the best punter and one of the best ball carriers on the second team. We expect him to star this coming fall.

WALTER NOWLIN

With a little experience and speed Walter will make a fine man at guard or tackle.

JESSE JONES

Wee Jess was the ace of the second string ball toters. He won the award for the player who showed the most sportsmanship among those who did not letter.

JOE SCALICE

Joe was always hustling and playing fair. He was little inexperienced but should make a good halfback for Needham next year.

RANDOLPH SPURLI

Randolph, like his brother, lacked experience; but with the coming football season he should be a good player.

GLENN (PRES. AT-FAT) KING

In spite of the duties he had to perform as Senior Class President, Glenn missed very few practice sessions and worked hard all year as a second string back.

SUMMARY

Regarded as one of the weak teams of the city, the Panthers surprised all opposition by turning in remarkable performances in all games played. With Jack Frye at the helm, the Panthers threatened every team with a passing and running attack that was super destructive. The absence of Thenes Hajecate proved costly to the team as the line was weak at critical moments and allowed opposing players to slip through and spoil chances for gains.

Nevertheless lots of credit should be given to Coach Needham and Mr. Tuberville for putting out the team of "29." Both worked hard to make contenders out of promising but rather light material. We want a championship team next year.

Basketball Season

In basketball the Panthers were feared by all who met them. They played a fast hard game and were hard to beat at any time on any floor. The team won 7 out of its schedule of 14 games.

Victories were scored against the Alumni, the Sam Houston Bearkats Slime Team, Goose Creek, Ball Hi, and Milby. In all of the games played, the Panthers scored a total of 363 points against their opponents 317. It was a very successful season inasmuch as only three lettermen were available. The season's record:

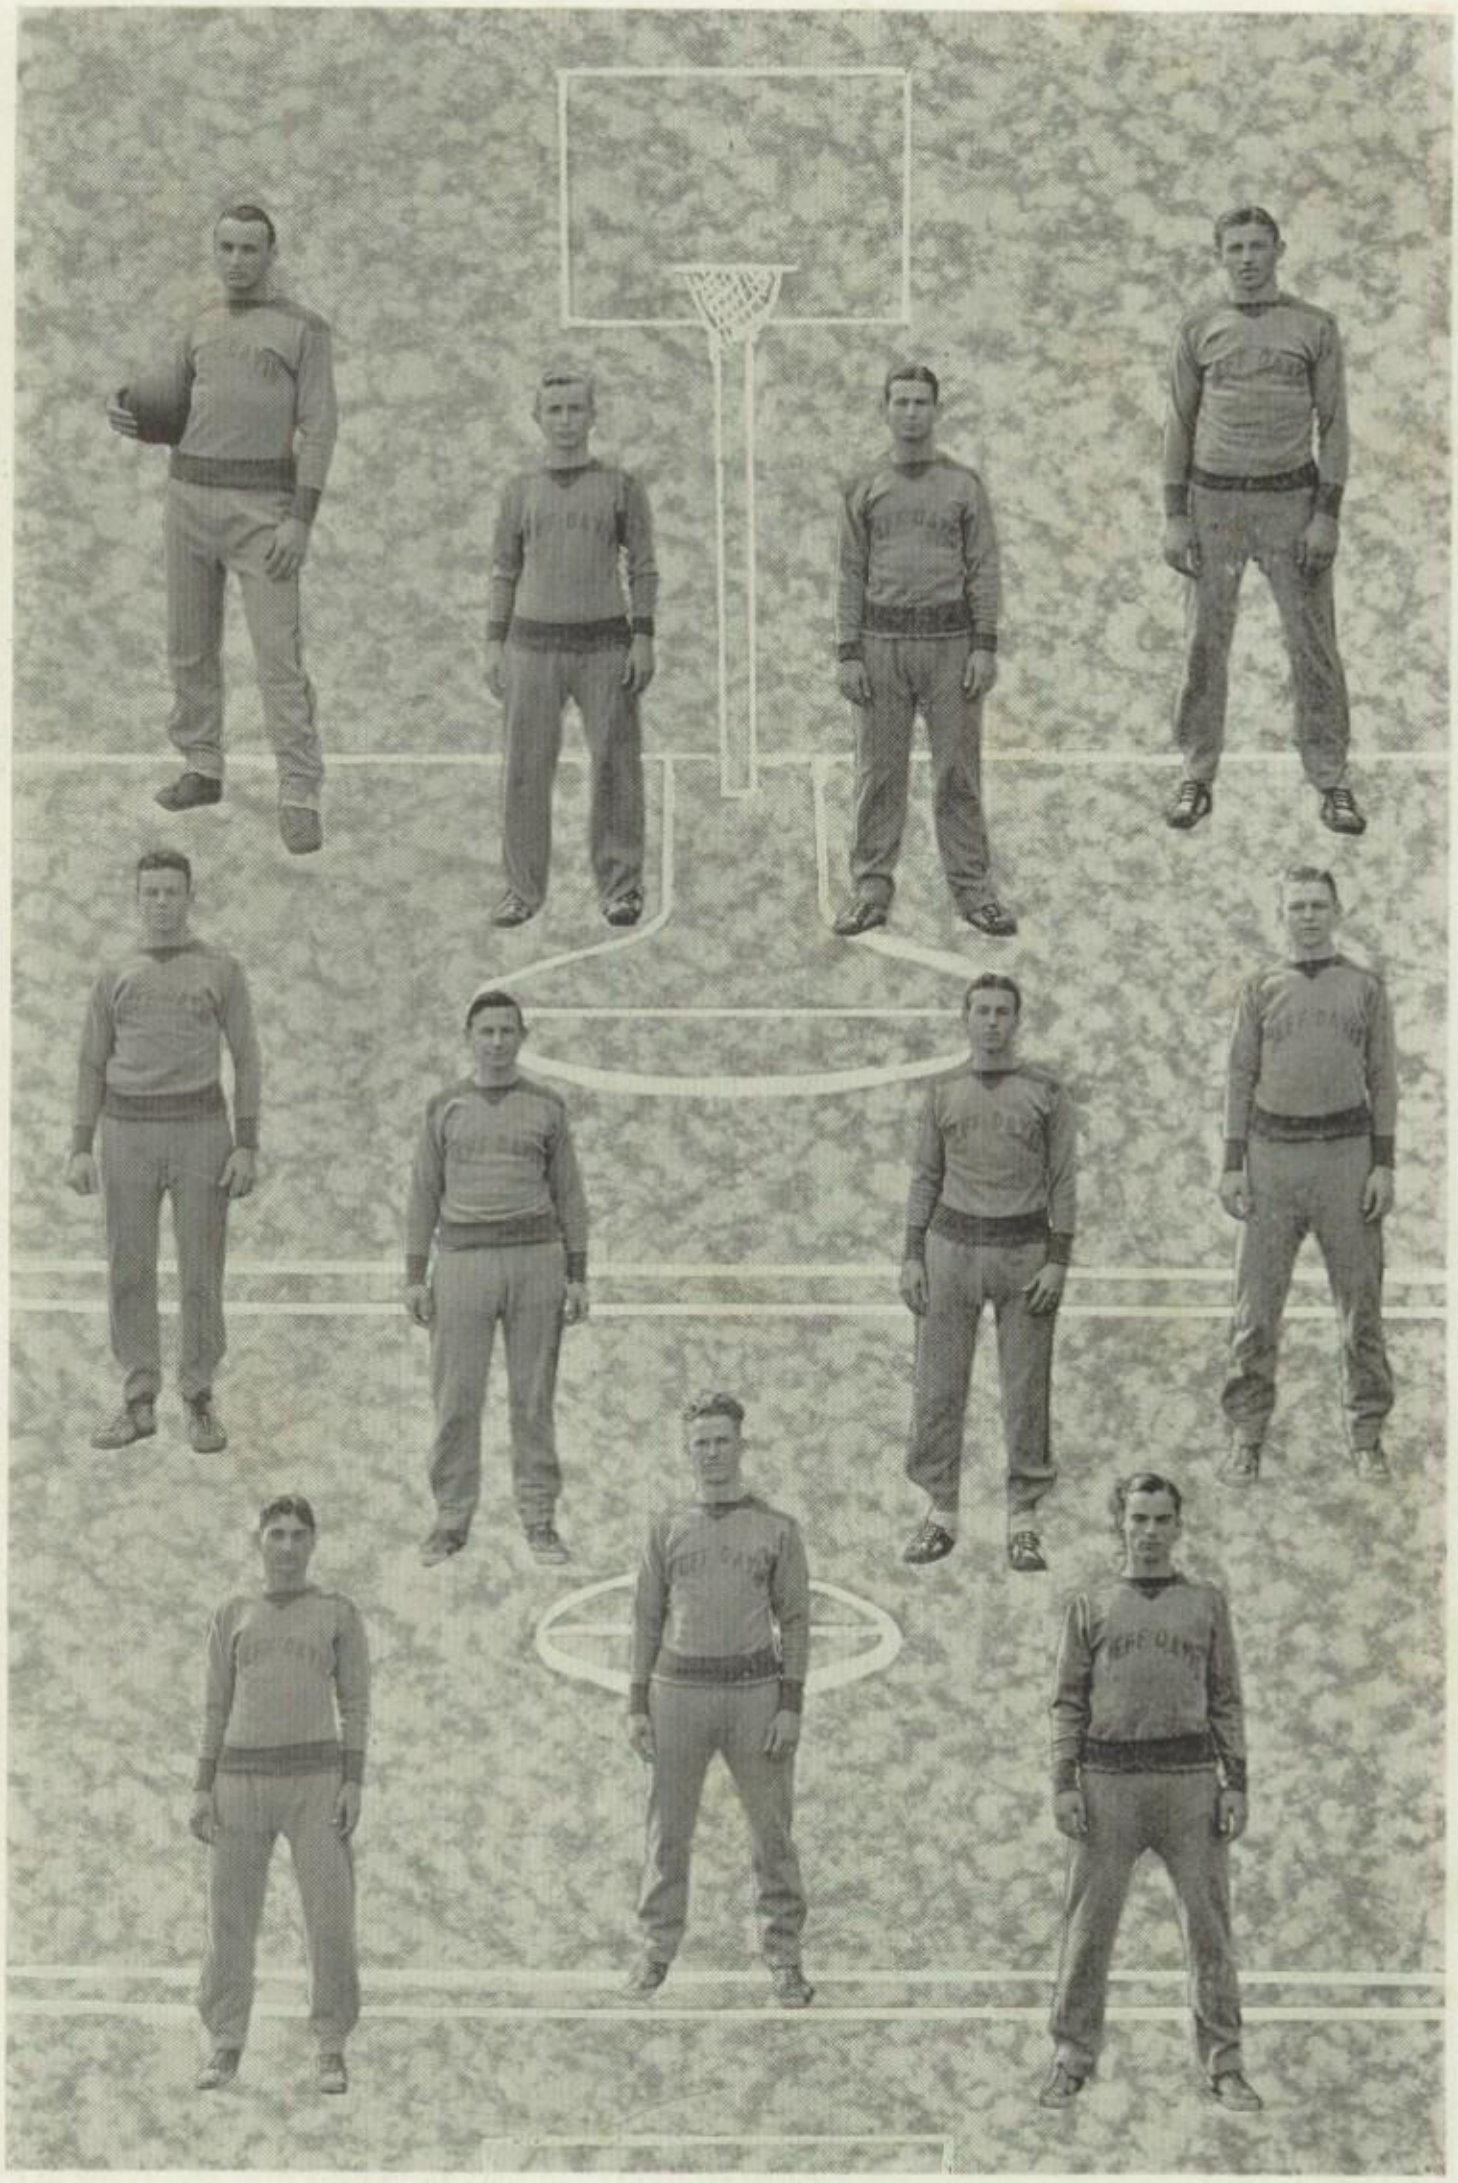
BEAUVOIR



Captain, BAIN GARNETT

Bain was a fighter and a capable leader. He was always in the middle of the hardest plays and led the Panther team in a very satisfactory way.

WILLIAM "OX" HARRIS

Although his height was a drawback, he was one of the best players on the court. His teamwork and his eye on the basket were the best in the game.

JESSE (JESS) JONES

Although he was one of the smallest men on the team, Jesse was usually among the high scorers. He had a deadly eye for the basket and was always good for several points in any game.

Captain-Elect, SAM (KAMADUCHE) LEFTSOWITZ

There wasn't a better boy or man on the floor at any time when Sam was there. He was shy and modest but if anyone tried to slight Davis or Davis students there was sure to be trouble.

CARL (COTTLE) RENIDL

Carl was a very shy and unassuming young man, but this did not prevent him from being a great center. He was a dependable boy who could be relied on to give his best to put the Panthers on top.

VERNON (KIKE) MAXWELL

Kike was one of the best shots on the team and with a little added speed will make a sensational player.

ROBERT (BUCKY) RUNNELS

Bob had as deadly an eye for the basket as he did for girls and that explains why he was usually high point man. His curly hair bothered him at times but he finally overcame this handicap.

FRED (MOON) ELLIOTT

Fred made the squad in his last year in high school through his great floor work. He was clever at getting over the floor and was an excellent man both on offense and defense.

CHARLES (RAT) SICOLA

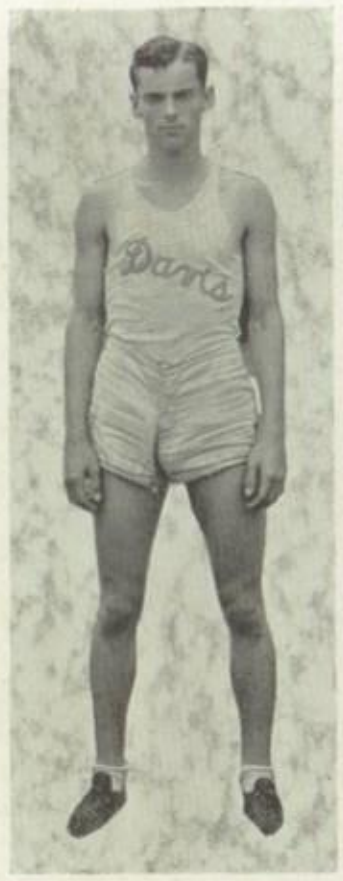
Rat was the pep of the second five. He was a hustler all the way and gave the first five lots of trouble.

LEA (NUBS) UNDERWOOD

Lea was one of the most efficient guards on the Panther squad. He could always be depended on to check his man closely.

CHARLES (PELICAN) BOWDEN

Pelican was one of the best guards in the city both on offense and defense. He was a hustling player and was always slipping in "crip" shots at unexpected moments.

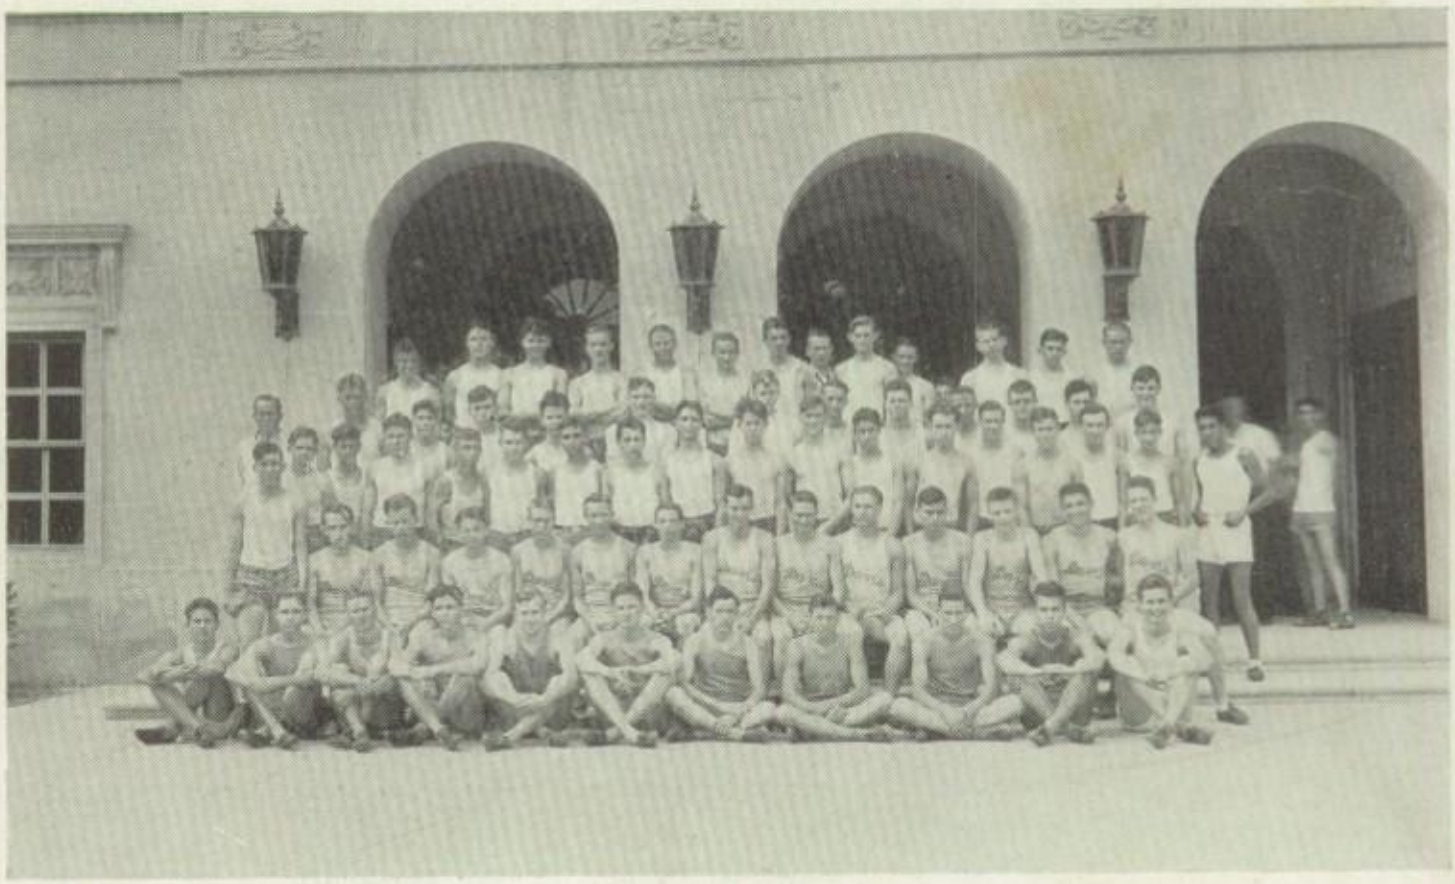


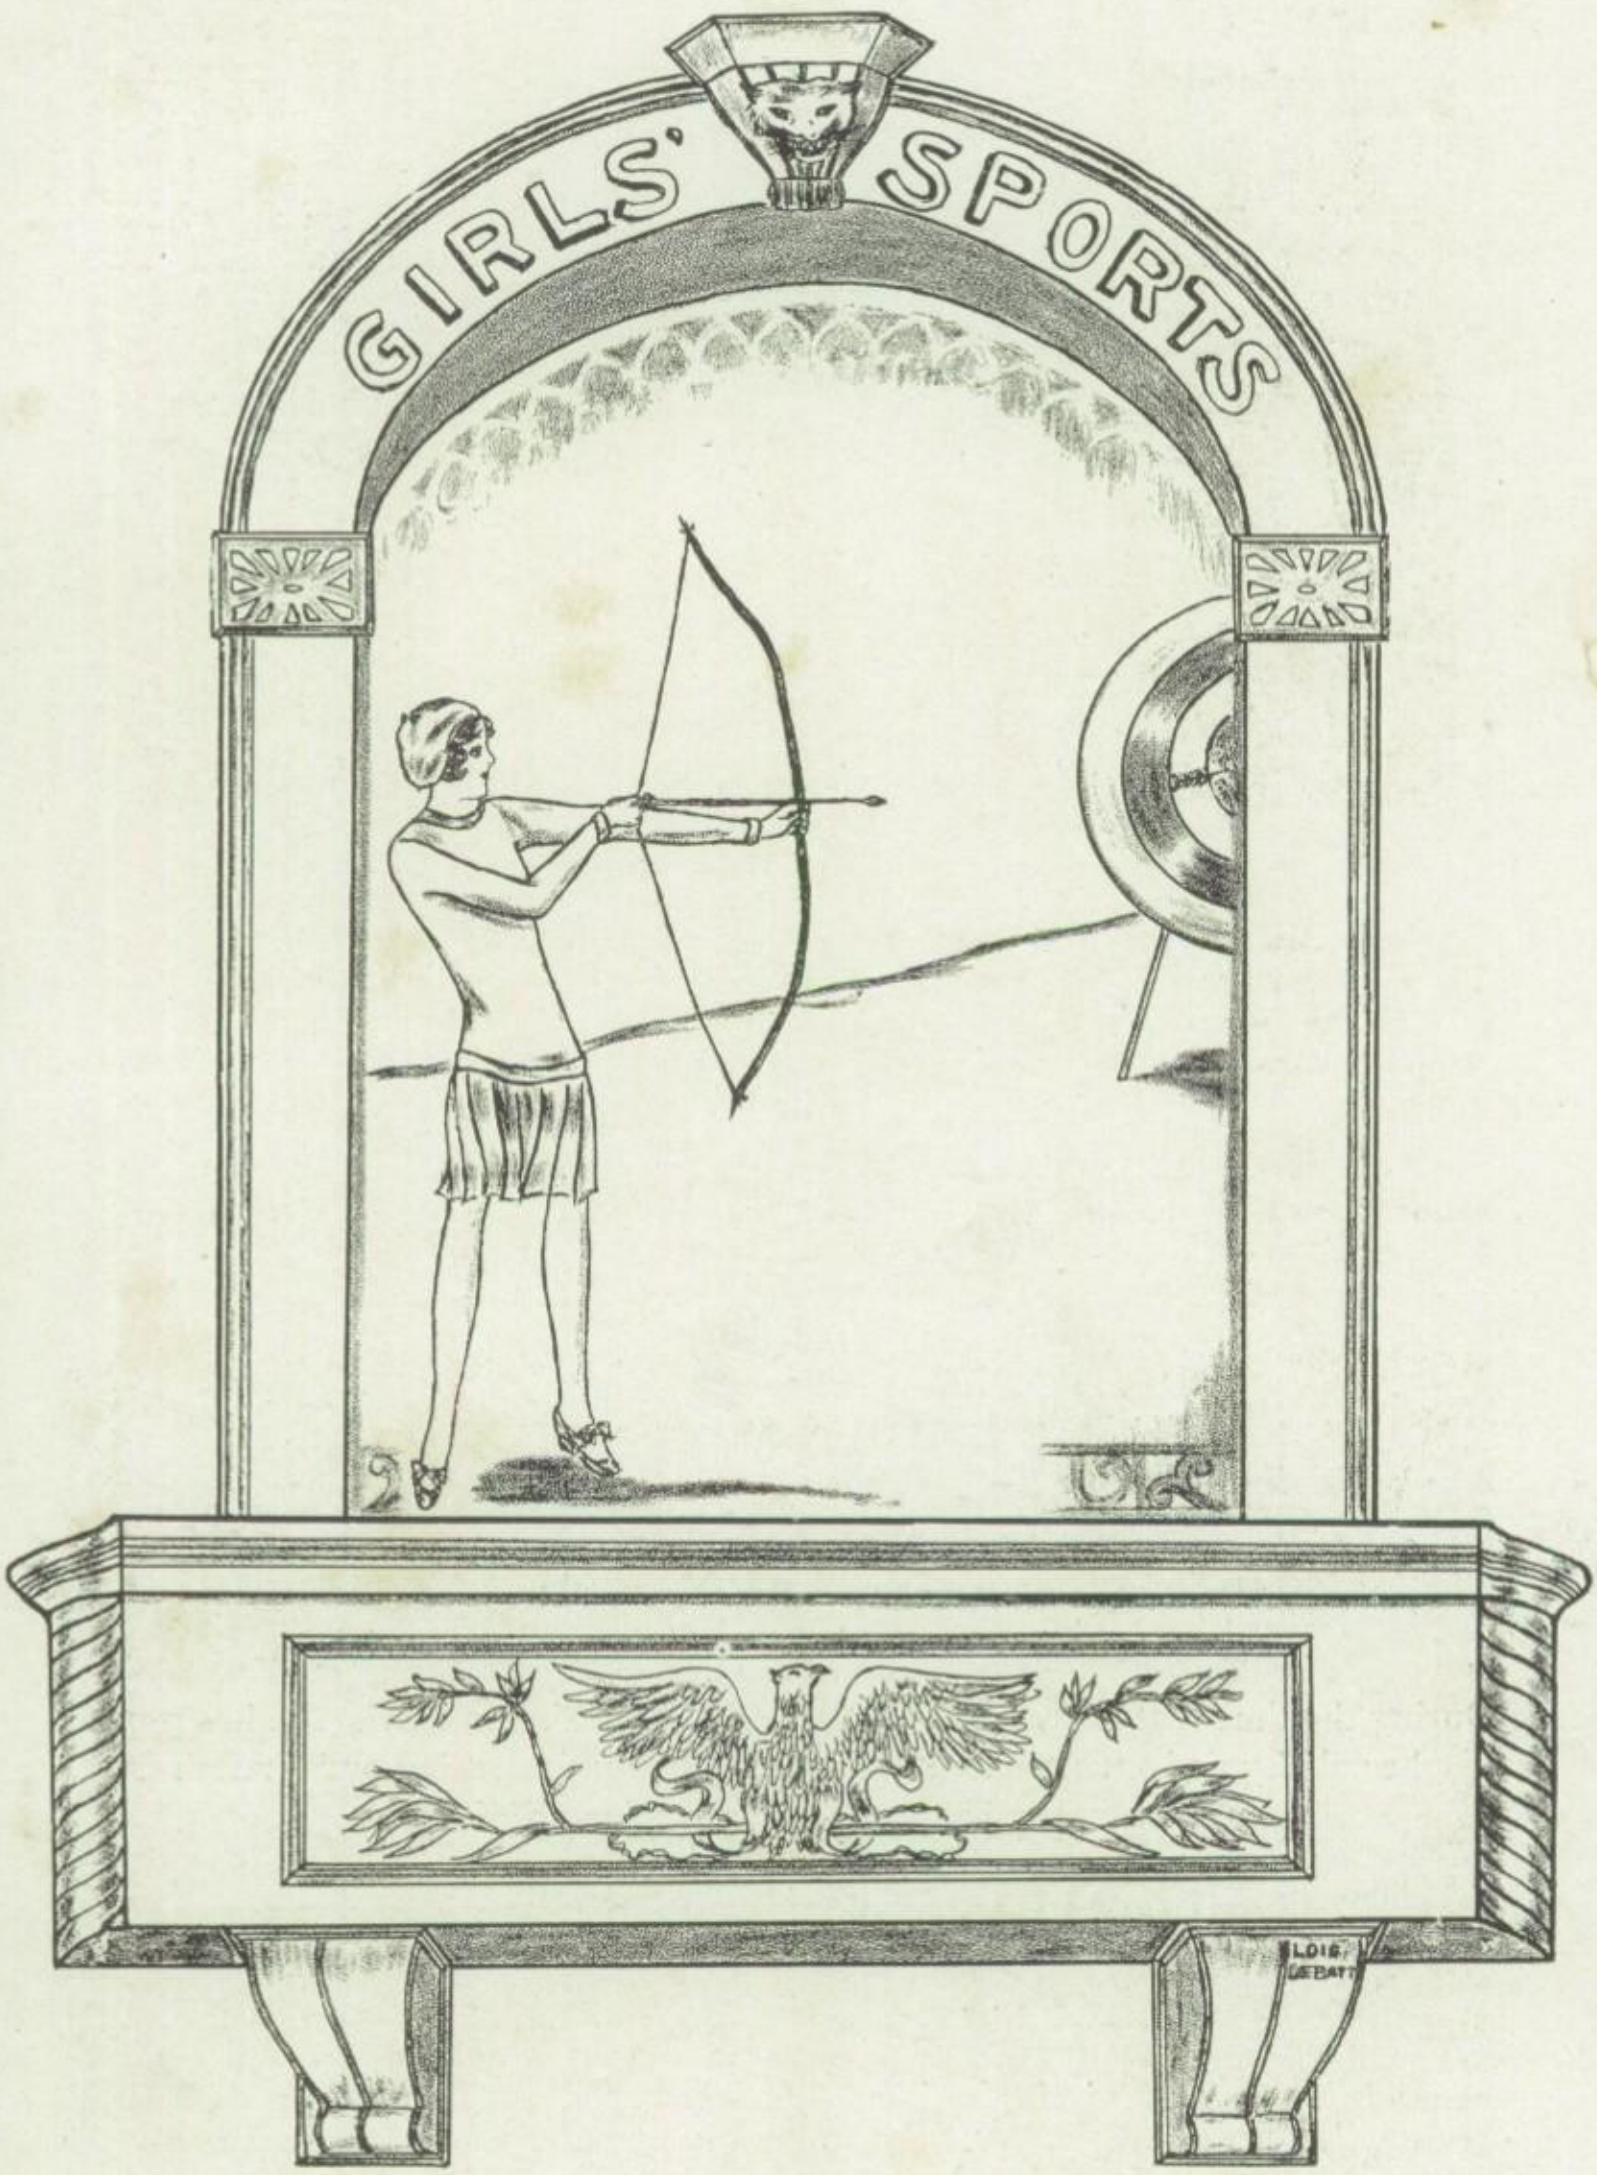
TRACK

Orin Hitt, the track captain, has proven his ability as a trackster for Davis. He will be a great loss to the team next year, for he is going to graduate.

Charlie Bowden, with his sensational running in the 880 yard dash and relay, has put himself in the track spotlight; not only in Houston but throughout the districts.

The team, although weak, always brought back some honors with them. Under Coach Needham's guidance, the team furnished fair opposition in all meets. The relay team composed of Bowden, Chatham, King and Magee, was not regarded as one of the best but always managed to win a place in the race.





GIRLS' SPORTS

During the time that Miss Mackey has been with Jefferson Davis, she has proved her ability as instructor and coach. Her sunny disposition and charming personality has made for her a host of friends.

Our School Song

PURPLE AND GRAY

Words — JUDD MORTIMER LEWIS

Music — MRS. F. H. ROBERTS

The Purple and Gray, our Purple and Gray,
Our Banner against the sky,
Of every heart, our flag is a part,
The Purple and Gray goes by.

And our heartstrings sing, and our voices ring,
Our faith in our school is strong
In their honor true, with the faith to do,
When brave Davis goes along.

Jefferson Davis School Calendar

Sept. 19—Ding! Dong! First day of school—Oh, Happy Days (?) New building explored.

Oct. 1—The Rolak boys heading Annual Staff. If they can't put it over, it just can't be done.

Oct. 8—Seniors Organized—With Glenn at the Helm "and a wise and just King shall rule them."

Oct. 9—Two more "stars" in our "firmament," Little Inez Danials elected President of Sophomores, Walter Appleby leads the Juniors.

Oct. 12.—And did we do our Coach proud? First football game—Davis 33—Sam Houston 27.

Oct. 16—First issue of the J. D. out. Editor Ruth Douty and her "live wires," are putting us on the map.

Oct. 28—"O-YO-YO!" and the Pep Club "strutted its stuff" in the new auditorium.

Nov. 4—Juanita, Edith and Loya flashing "sparklers"—O my eye!

Nov. 18—Marie Miears came to school on time—we just *knew* she could.

Dec. 6—Seniors believe in that "Early Bird" story—Rings before Xmas—Gee!

Dec. 13—University Club! Black Cats!! 13's!!! The Pep Club made a "Hit" with the football boys—And for once there wasn't a "kick."

Dec. 19—A feed for the football boys at the Rice Hotel. Davis Booster again to the rescue.

Jan. 29—"The Jay Dee Knows." Contest results. Margaret Talley—Most charming, Glenn King—Wittiest, Ox Harris—Most scholarly, Bob Creech—Most representative, Genevieve Dozier—Most representative, D. L. O. Garrett—Most scholarly. We still say "the Jay Dee Knows."

Feb. 6—The Operetta's the thing—and was Opal Brown a beautiful "Lady of the Terrace?" Uh, huh!!

Feb. 12—Election!—When we chose the "decorations" for the Spot Light section in the annual. Some decorations!

Feb. 14—Alumni compliments Seniors. Hearts everywhere. Music, dancing, 'n everything—We're for the Alumni.

Feb. 21—We planted a tree honoring the memory of our classmate, Maybelle Mealy.

Feb. 25—Pep Club does itself proud at the San Jacinto Inn. Basketball boys and Davis Boosters guests. Unanimous vote of thanks to the Club!

Feb. 28—Barn Dance—Alumni welcoming Seniors. "Hay," "Straw" and "fodder" (but not for refreshments)—big time? "Check and double check."

Mar. 5—Oysters on the half-shell—Mr. Murphy never forgets our football boys.

Mar. 8—Senior meeting—Ox makes a record speech entitled, "Watch us expand—at Sylvan."

Mar. 17—Mrs. Carlton opened her home to Seniors St. Patrick night—an annual affair—each one better than the last. Who says it wasn't "Heap big time?"

Mar. 25—Miss Wills watch your laurals! Crystal McConnel is in the offing. City Champ in Tennis Single.

Mar. 28—Faculty Baseball! The "Hit" of the game was a "catch" by Miss Williamson—O you yama yama.

Apr. 1—Senior Frolic Day—When the girls once again enjoyed dolls, toys, rompers and hair bows—the boys all dressed as in primary days—not a Senior cut class or failed to invest in lolly pops.

Apr. 5—Piney Woods Track—Records shattered. Hurdles and Hi jumps "easy money" for Orin, and Charlie wasn't slow.

Apr. 11—Davis Night at Sylvan. We were there 100% strong. "Thanks, Mr. Eisman!"

May 7—May Fete; best ever. Such a dainty queen was Gertrude Brooking—with Lamar Clark as king—a Royal pair. They reigned supreme over the court and campus.

May 10—Pep Club flying high!—Ends season with luncheon "On Top of Town." Election of officers—"Come, everybody!! Nine for Fay!!!"

May 14—Senior Class Play—With Addison and Gladys in "The Youngest." A cast of brilliant stars supporting them.

May 15—Fourth Annual Jr. Prom—Walter and Lois stepping high at the head at the Grand March. Just another sweet memory.

May 16—Hail! Hail!! With the gang aboard the Nicholas. A day off for the Seniors—"Good-bye teachers" and "Hello Sylvan."

May 19—The Struggle is on. The "trophy" to the winner! Senior final exams.

May 25—And at last we were *very* serious.

May 28—Class Night! Our night! "We Seniors" are running it—and how!

May 30—Oh the Joy of Possession! The Sheepskin's ours! Signed, Seniors. (It's all over now.)
